

Please read and retain this manual which contains import info.

Thank you for purchasing this product. Please read this manual before operation and retain it.

Import Safety Tips

This product is a static sensitive device. Always use an ESD wrist strap or similar individual grounding device when handling it or coming in contact with it.

This product can only be used by professionals.

Caution!

This product has been tested and found to comply with the limits for Class 1 laser. Do not look directly at light emitting device.

Caution!

This product is easily contaminated by dust. Please take appropriate measures of dust prevention.

Limited Warranty

This product is warranted for five years from the date of purchase. Within this period, CBO, at its option, will repair or replace products that have failed under normal use. Such repairs or replacements will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for any transportation cost.

This Limited Warranty does not apply to:

1. Any product damage caused by improper installation, accident hazards, natural disasters, abuse, misuse, low power or over-voltage, incorrect operation, poor / bad environmental conditions and any unauthorized disassembly, repair or modification.
2. Products that have been modified without authorization, such as: modification of internal electronic information, EEPROM information, etc..
3. System problems caused by third-party software, upgraded software or upgraded IOS of the connecting devices.

To obtain warranty service, please contact your local CBO authorized dealer or original purchase channel for shipping instructions. Securely pack the device and send it to the designated address after prepaid freight charge.
